OCIT 2021
19th OITS International Conference on Information Technology
16th – 18th December 2021, Bhubaneswar, India
www.ots-icit.org

CALL FOR PAPERS

The OITS International Conference on Information Technology (OCIT) is a premier international forum for high quality research in the areas of Information Technology. OCIT 2021 is being jointly organized by the Orissa Information Technology Society (www.ots.org) and Silicon Institute of Technology, Bhubaneswar, India (www.silicon.ac.in). Researchers, developers, and practitioners from academia and industry are invited to present their research findings on various topics of IT and its applications. The proceedings of this conference will be published by IEEE (S3463).

OCIT 2021 encourages submissions in all the areas of information technology. However, the papers in the following 6 tracks will be the primary focus of OCIT 2021:

- Artificial Intelligence, Machine Learning, and Deep Learning (AMDL)
- Data Science (DS)
- Networking and Information Security (NIS)
- Sequential, Parallel, Distributed and Cloud Computing (PDC)
- Multimedia Signal Processing, Embedded Systems (MSE)
- Power, Smart Grid and Internet of Things (PSI)

PAPER SUBMISSION

Manuscripts offering high quality original and unpublished research, case studies and implementations are solicited. The manuscripts need to be formatted as IEEE double column conference format. The maximum length of the manuscript needs to be 6-pages

Important Deadlines (2021)

Paper Submission: August 16th, 2021
Author Notification: September, 20th
Camera Ready Manuscript: September, 28th

Best Paper Awards

Three awards will be conferred with due recommendations from the program committee from the papers presented in the conference. Each award will carry a cash prize and citations. One student best paper prize will be awarded from the papers where the students are the leading authors.
