

OCIT 2022

20th OITS International Conference on Information Technology
14th - 16th December 2022, Bhubaneswar, India

OCIT 2022

www.oits-icit.org

CALL FOR PAPERS

Organizing Committee

General Chairs

Biswajit Sahoo, KIIT University, Bhubaneswar
Saraju P. Mohanty, University of North Texas, USA

Program Chairs

Prasanth Yanambaka, Central Michigan University, USA
Hariprabhat Gupta, IIT-BHU
Niranjan K. Ray, KIIT University, India

Organizing Chairs

Rakesh Chandra Balabantaray, IIIT Bhubaneswar, India
Amulya Ratna Swain, KIIT University, India
Pinaki Sankar Chatterjee, KIIT University, India
Tanmoy Maitra, KIIT University, India

Publication Chairs

Laavanya Rachakonda, University of North Carolina Wilmington, USA
Jitendra K Rout, NIT Raipur, India
Manas Ranjan Lenka, NIT Jamshedpur, India

Finance Chairs

Alok Kumar Jagadev, KIIT University, India
Anil K Swain, KIIT University, India
Arup Abhina Acharya, KIIT University, India

Web Chairs

Umasankar Das, SIT, India
Manoj Kumar Mishra, KIIT University, India

Media Chairs

Deepak Ranjan Nayak, Malaviya National Institute of Technology Jaipur INDIA
Pradyumna K Tripathy, Silicon Institute of Technology, India
Kunal Anand, KIIT University, India

Special session Chairs

Sanjay K Panda, NIT Warangal
BSP Mishra, KIIT University, India

Registration Chairs

Minakhi Rout, KIIT University, India
Amiya K Dash, KIIT University, India

Publicity Chairs

Debanjan Das, IIIT Naya Raipur, India
Santosh K Sahu, ONGG Deradun
Sanjeet K Nayak, IIITDM Kachipuram
Krishna Chakravarty, KIIT University, India
Amiya Ranjan Panda, KIIT University, India
Jhalak Hota, KIIT University, India
Joy Dutta, KIIT University, India

Steering committee Chairs

S. P. Mohanty (Chair), University of North Texas, USA
N. Ray (Vice-Chair), KIIT University, India

IEEE LIASION Chairs

Subhransu Ranjan Samantaray, IIT, Bhubaneswar, India
Ayaskanta Swain, NIT Rourkela

Submit your manuscripts at:

<https://cmt3.research.microsoft.com/OCIT2022>

The OITS International Conference on Information Technology (OCIT) is a premier international forum for high quality research in the areas of Information Technology. OCIT 2022 is being jointly organized by the Orissa Information Technology Society (www.oits.org) and Kalinga Institute of Industrial Technology, Bhubaneswar, India (www.kiit.ac.in). Researchers, developers, and practitioners from academia and industry are invited to present their research findings on various topics of IT and its applications. The proceedings of this conference will be published by IEEE (**IEEE Approved- Conference Record #56763**).

OCIT 2022 encourages submissions in all the areas of information technology. However, the papers in the following 6 tracks will be the primary focus of OCIT 2022:

● Artificial Intelligence, Machine Learning, and Deep Learning (AMD)

Cognitive Science, Image Processing, Computer Vision, Natural Language Processing, Machine Translation, Convolutional Neural Network, Recurrent Neural Network, Explainable Machine Learning, Probabilistic Machine Learning, Reinforcement Learning, Sentiment Analysis, Collaborative Filtering.

● Data Science (DSC)

Data Analytics, Soft Computing, Pattern Recognition. Mining Spatial and Temporal Data, Metadata and Meta Modeling especially focused in the domains of Social Networks, Social Media including blogs and Online Collaborative Environments. Text Mining, Information Retrieval, Visual Data Mining, Privacy Sensitive Data Mining, and Graph Data mining. Big Data Analytics, Computational Finance, Computational Biology, Bioinformatics, Information Science including Multi-Agent Systems and Intelligent Systems, Biomedical Informatics.

● Networking and Information Security (NIS)

Multimedia Communications Networks, Wireless Ad hoc/ Sensor/ IoT Networks, Mobile and Personal Area Networks. Information Technology Networks, Vehicular Ad-hoc network, Body Area Networks, Optical Fiber Networks, SDN, Peer-to-peer, Overlay, Content Distribution Networks, Cognitive Radio Networks and DNA Inter Networks. Information Security, Content Protection, and Digital Rights Management. Watermarking, Steganography, Cryptography, Biometrics, Digital Libraries, Network Security, Computer Security, Cyber Security.

● Sequential, Parallel, Distributed and Cloud Computing (PDC)

Design and Analysis of Algorithms, Parallel and Distributed Computing, Load balancing and Partitioning. Multi-cores, Memory Hierarchy, Multiprocessor Synchronization and Debugging, Concurrent Programming, High Performance Computing. OS Virtualization, Modeling and Simulation, Load Balancing and Partitioning, Compiler Techniques. Cloud Computing, PaaS, SaaS, AaaS, IaaS, EaaS Modeling, Performance Analysis and Security Provisioning in Cloud Computing.

● Multimedia, Signal Processing, Embedded Systems (MSE)

Ontology and Reasoning, Applications of Semantic Web and Linked Data, Semantic Web Architecture, Social Semantic Web. IP Core Design, Multi Media Audio and Video Streaming, Algorithms for IP Core Protection, Algorithms for Security Aware Behavioral Synthesis, Fault Aware Computing, CAD Algorithms for Smart Devices, Algorithms for Biometric Security.

● Power, Smart Grid and Internet of Things (PSI)

Power Systems, Smart Grid, Smart Grid Applications, Grid Computing, Internet of Things, Low Power/ Energy-Aware Computing, IT Intervention in Power Distribution System Management, Power System Security Management through Advanced Information Technology Application, Computer-Aided Design (CAD) for Behavioral/High-Level Synthesis and Optimization, High-level synthesis algorithms and methodology.

PAPER SUBMISSION

Manuscripts offering high quality original and unpublished research, case studies and implementations are solicited. The manuscripts need to be formatted as IEEE double column conference format. The maximum length of the manuscript needs to be of 6-pages. All submitted papers will undergo a DOUBLE-blind-review by the program committee. Authors need to prevent identity disclosure by: (1) not listing names and affiliations of the authors on the manuscript, (2) not saying "my work" or "our work" in the text while citing self-references, and (3) not writing acknowledgments in such a way that identity of authors are implied. Author information should only be included in the submission form. Manuscripts not following this requirement or exceeding 6-page length will be rejected without review. Authors need to submit a single pdf file of their manuscripts at: <https://cmt3.research.microsoft.com/OCIT2022>. OCIT 2022 will follow no-show policy, i.e., accepted papers are to be registered and presented, otherwise the paper will be removed

Best Paper Awards

Three awards will be conferred with due recommendations from the program committee from the papers presented in the conference. Each award will carry a cash prize and certificate. One student best paper prize will be awarded from the papers where the students are the leading authors.

Important Deadlines (2022)

Paper Submission: September 30th
(Hard Deadline)

Author Notification: October 12th

Camera Ready Manuscript: October, 20th

Registration: October, 20th

Conference: December, 14th-16th
